

"PITTSBURG PHIL," BY HAYDON JONES.**TOM MARCH SLOAN OUT OF FRANCE.**

Expulsion of Americans Connected with Racetrack Scandals Predicted in Paris.

WOMEN MIXED IN IT.

PARIS, Sept. 29.—Tom Sloan, the jockey, and fully fifty other Americans will very probably be taken to the frontier shortly and expelled from the country.

Recent developments of the investigation into the doings of the "sure-thing" experts have caused sensations all over the continent, but the climax to it all came when the Chief Commissioner of Police of the city ordered all implicated in the swindling game before him for examination.

All were questioned of their methods employed in racing, holding bacarat parties in private rooms, using marked cards in games and running private roulette tables. None was more closely questioned than Tom Sloan. For three hours he was under and retired and embarrassed. Others who were the subject of questions for the three days of the examination lasted well into the night. Franklin Syndicate game; W. L. Cheppu, J. P. Horn, known as "Bismarck," who several years ago was a waiter at Conny Island in New York and later a partner in bookmaking with Fred Walbaum; Herman Fresser, Bob Rose, Sydney Burns and Alex. Russell. No women were examined by the police, but it was elicited during the examination that several of them were implicated in the deals. What their names are could not be learned.

An instance of the way the swindlers worked their game is told by one of the complainants.

Although many devices for taking money away from the unsuspecting are in operation, he says the greatest money maker for the game is on the tracks.

"Not long ago I was with a friend at one of the Paris tracks," he said. "He was approached by a man and told to bet on a certain horse that was to start in the betting and given orders to buy the horse out of the race. He bet, the horse won and my friend bought the animal. He started him three days later and an American jockey who rode him deliberately pulled him. The next time out he was again pulled. The swindling game has been on him."

SCEPTRE BROKE RECORD FOR STAKE WINNING.
Swift English Filly Won 1,000 and 2,000 Guineas, Oaks, St. Leger During Season.

Sceptre, the great English racehorse, winner of the One Thousand Guineas, Two Thousand Guineas, Oaks and St. Leger, has broken all records for winning such races. The filly earned \$115,975 for her owner. Such a performance stands to the name of Formosa in 1900, but she ran a dead heat for the Thousand and divided the stake.

Game Chick, the filly at present leased to William C. Whitfield, and her mother, Tierce, have been sold for \$50,000. Mr. Whitfield's lease of the filly terminates in November. The new owner is Sir Tatton Sykes, and his agent, I. H. H. Peard, arranged the purchase from Major Loder. Tierce is believed to be in foal to Gallinule.

ROWING SEASON ON HARLEM IS NOW OVER.
"Scullers' Row," It Is Expected, Will Have a Permanent Site Across River Next Year.

The rowing season is over. Nearly all oarsmen who during the season took up in shells or gigs on the Harlem have stored away their craft for the winter months. Looking forward to next season is in order now by the husky Harlemites.

There is every belief that before long "scullers' row" will have a permanent site on the opposite side of the river. The encroachments of the Macombs Dam Park bulkhead will sooner or later drive the clubs to quarters where they will be more undisturbed.

Giants to Play Hoboken.
Johnny McGraw and his Giants will go to Hoboken on Sunday to play the Hoboken team at the St. George Cricket Ground. The Jerseymen have been greatly strengthened since the last time they met McGraw's men and the latter will have to play their best to win. Deagan, who beat the bridgeport team a week ago by his great twirling, will be in the box for the Jerseymen.
